 Endoscope Reprocessors  
 ENT Instruments & Accessories  
 Foot & Ankle Hardware  
 Foot & Ankle Biologics  
 Forceps (Disposable)  
 G/I Scopes & Forceps  
 General Surgery Instruments  
 Hospital Beds & Surfaces  
 Infusion  
 Medical & Case Carts  
 Medical-Grade Refrigerator/Freezer  
 Microscopes & Lab Equipment  
 Mobile Imaging Solutions  
 Ophthalmology  
 OR Booms  
 OR Stainless Sinks & Cabinets  
 OR Video Integration  
 Orthopedic Trauma Tables  
 Pain Management  
 Patient Monitors  
 Pulmonology  
 Safe Patient Handling  
 Spinal Fusion Technologies  
 Spinal Cord Stimulation Therapy  
 Spine Surgery Solutions Sterile  
 Processing Equipment  
 Surgical Lights  
 Surgical Tables  
 Temperature Management  
 Thoracic Navigation Systems  
 Turnkey & Construction Solutions  
 Robotic Assisted PCI  
 UVC Disinfection Robots  
 Vaccine Storage  
 Vascular Access/PICC Products  
 Washers/Disinfectors  
 Waste Fluid Management  
 Workstation Computer Carts  
 Wound Care

Alliant Enterprises LLC (d.b.a. Alliant Healthcare Products), founded in 2002, provides high quality medical and dental products and services to the federal and military healthcare market. As a Service-Disabled, Veteran-Owned, Small Business (SDVOSB), Alliant provides unrivaled value to government customers by offering a myriad of unique resources, including a team of field sales representatives to facilitate complex government procurements. Alliant provides state-of-the-art medical and dental products from over twenty high-profile manufacturers including Olympus, Philips, ARJO, Skytron, KAVO, Belimed, LINET, ATEC Spine, Paragon28, and many more. Our breadth of products cover a wide range of medical and dental needs, making Alliant Healthcare a one-stop option for SDVOSB-sourced products.

## OLYMPUS®

Offering innovative technologies (ENT, Endoscopy, Urology, etc.) aimed at providing advanced, minimally invasive and diagnostic improvements to the quality of patient care.

## PHILIPS

Ability to deliver value throughout the complete continuum of care by providing patient monitoring systems, ultrasound systems, imaging systems, and more.

## atec™

INFORMED BY EOS

Alphatec Spine, Inc., (ATEC) is a medical device company that designs, develops, and markets Spine Approach Technologies.

## Belimed

Infection Control

Belimed is a well-respected sterile processing equipment and solutions provider.

## LINET

Manufacturer of beds and surfaces for the ICU, med/surg, long term care, and labor & delivery.

## skytron.

Providing innovative technologies for the OR, hybrid room, ER, and ICU by providing surgical tables, lights, booms, integration, and more.

## LOGIQUIP®

Logiquip's sole focus is hospital storage and distribution systems, ideal for VA and DoD facilities.

## ARROW

from TELEFLEX

Vascular access products with antimicrobial and anti-thrombogenic protection designed to reduce vascular-related complications.

## aspensurgical®

Extensive portfolio of specialty medical products and surgical instruments that includes OR accessories, patient and staff safety products, and instrument care products.

## ARJO

EMPOWERING MOVEMENT

Arjo is a global supplier of medical devices, services, and solutions that improve quality of life for people with reduced mobility and age-related health challenges.

## Paragon®

Exclusively foot & ankle

Developing innovative products and quality solutions for the foot and ankle surgeon.

## URGO

MEDICAL  
Healing people®

Manufactures products with a focus on acute, chronic, and surgical wounds that establish proven protocols for the care and management of wounds, skin, and skin breakdown.

## PROCEPT®

BIOBOTICS

The AquaBeam® System is the world's first minimally invasive surgical robot providing autonomous tissue removal to safely and effectively treat BPH.

## ALTUS

Altus builds durable, ergonomic, and stylish technology workstation solutions in a variety of environments, from classrooms to emergency rooms.

## BioTissue®

Biotechnology company featuring products to treat ocular surface disorders as well as products to support regenerative healing and functional recovery in surgical, chronic wound, and musculoskeletal applications.

## Guerbet |

Manufactures a digital urological imaging system that provides best-in-class image quality.

## EVIDENT

Evident Life Science empowers scientists and researchers through collaboration and cutting-edge life science solutions through a comprehensive range of microscopes for pathology, hematology, IVF and other clinical applications as well as for research and education.

## MIZUHO | OSI®

Mizuho OSI pioneered the specialty surgery table market over 40 years ago and continues to collaborate with surgeons to enhance orthopedic and spine surgeries.

## BIOTRONIK

NEURO

BIOTRONIK Neuro has created a new approach to Spinal Cord Stimulation therapy management: one that's not just implanted, but truly connected to the needs of patients and providers.

## OXOS

OXOS is expanding access to healthcare by developing ultra-portable x-ray devices for use in clinical, surgical, and remote care scenarios.
