

CAPABILITY STATEMENT

COMPETENCIES

- Dental
- Diagnostic Imaging (HTME)
 - X-Ray & Ultrasound
- Endoscopes
- Endoscope Reprocessors
- ENT Instruments & Accessories
- Foot & Ankle Hardware
- Foot & Ankle Biologics
- Forceps (Disposable)
- G/I Scopes & Forceps
- General Surgery Instruments
- Hospital Beds & Surfaces
- Infusion
- Medical & Case Carts
- Medical-Grade Refrigerator/Freezer
- Microscopes & Lab Equipment
- Mobile Imaging Solutions
- Ophthalmology
- OR Booms
- OR Stainless Sinks & Cabinets
- OR Video Integration
- Orthopedic Trauma Tables
- Pain Management
- Patient Monitors
- Pulmonology
- Safe Patient Handling
- Spinal Fusion Technologies
- Spinal Cord Stimulation Therapy
- Spine Surgery Solutions Sterile
- Processing Equipment
- Surgical Lights
- Surgical Tables
- Temperature Management
- Thoracic Navigation Systems
- Turnkey & Construction Solutions
- Robotic Assisted PCI
- UVC Disinfection Robots
- Vaccine Storage
- Vascular Access/PICC Products
- Washers/Disinfectors
- Waste Fluid Management
- Workstation Computer Carts
- Wound Care

Alliant Enterprises LLC (d.b.a. Alliant Healthcare Products), founded in 2002, provides high quality medical and dental products and services to the federal and military healthcare market. As a Service-Disabled, Veteran-Owned, Small Business (SDVOSB), Alliant provides unrivaled value to government customers by offering a myriad of unique resources, including a team of field sales representatives to facilitate complex government procurements. Alliant provides state-of-the-art medical and dental products from over twenty high-profile manufacturers including Olympus, Philips, ARJO, Skytron, KAVO, Belimed, LINET, ATEC Spine, Paragon28, and many more. Our breadth of products cover a wide range of medical and dental needs, making Alliant Healthcare a one-stop option for SDVOSB-sourced products.

PARTNERS AND PRODUCTS

OLYMPUS®

Offering innovative technologies (ENT, Endoscopy, Urology, etc.) aimed at providing advanced, minimally invasive and diagnostic improvements to the quality of patient care.

Belimed

Infection Control

Belimed is a well-respected sterile processing equipment and solutions provider.

Logiquip's sole focus is hospital storage and distribution systems, ideal for VA and DoD facilities.

ARJO

EMPOWERING MOVEMENT

Arjo is a global supplier of medical devices, services, and solutions that improve quality of life for people with reduced mobility and age-related health challenges.

The Symani® Surgical System is a first-of-its-kind robotic platform featuring the world's smallest wristed instruments to provide surgeons enhanced precision and control for microsurgery and supermicrosurgery.

BD offers a comprehensive portfolio of integrated solutions designed to elevate the patient experience and position the laboratory as a vital resource, rather than a necessary cost center.

BIOTRONIK Neuro has created a new approach to Spinal Cord Stimulation therapy management: one that's not just implanted, but truly connected to the needs of patients and providers.

Alliant is now partnered with market-leading dental manufacturers. Scan to view Dental Capabilities.

governmentsales@allianthealthcare.com

PHILIPS

Ability to deliver value throughout the complete continuum of care by providing patient monitoring systems, ultrasound systems, imaging systems, and more.

LINET

Manufacturer of beds and surfaces for the ICU, med/surg, long term care, and labor & delivery.

ARROW

from TELEFLEX

Vascular access products with antimicrobial and anti-thrombogenic protection designed to reduce vascular-related complications.

Developing innovative products and quality solutions for the foot and ankle surgeon.

Altus builds durable, ergonomic, and stylish technology workstation solutions in a variety of environments, from classrooms to emergency rooms.

EVIDENT

Evident Life Science empowers scientists and researchers through collaboration and cutting-edge life science solutions through a comprehensive range of microscopes for pathology, hematology, IVF and other clinical applications as well as for research and education.

OXOS is expanding access to healthcare by developing ultra-portable x-ray devices for use in clinical, surgical, and remote care scenarios.

Alphatec Spine, Inc., (ATEC) is a medical device company that designs, develops, and markets Spine Approach Technologies.

Providing innovative technologies for the OR, hybrid room, ER, and ICU by providing surgical tables, lights, booms, integration, and more.

Extensive portfolio of specialty medical products and surgical instruments that includes OR accessories, patient and staff safety products, and instrument care products.

Manufactures products with a focus on acute, chronic, and surgical wounds that establish proven protocols for the care and management of wounds, skin, and skin breakdown.

Biotechnology company featuring products to treat ocular surface disorders as well as products to support regenerative healing and functional recovery in surgical, chronic wound, and musculoskeletal applications.

Mizuho OSI pioneered the specialty surgery table market over 40 years ago and continues to collaborate with surgeons to enhance orthopedic and spine surgeries.
